**IV ANESTHESIA PRE-OPERATIVE INSTRUCTIONS**

**Your scheduled surgery date is \_\_\_\_\_ at \_\_\_\_\_ AM / PM**

Please give a 24 hour notice of cancellation or a \$50 fee will be applied to your account.

This anesthetic always includes local anesthesia

**INTRAVENOUS ANESTHESIA:** Medications are given through a vein in your arm or hand, which will cause total relaxation and, at times, a state of unconsciousness. There will be very little, if any, recall of the events surrounding surgery.

1. For morning appointments **do not eat or drink anything** after midnight the night before surgery. **However**, it is important that you take any regular medications (high blood pressure, antibiotics, etc. unless otherwise requested by Dr. Vendetti to omit) or any pre-medication prescription that we have provided, **using only a small sip of water.**
2. For afternoon appointments, you can eat a light breakfast **up to six (6) hours** before your surgery and skip lunch.
3. For afternoon appointments, you may drink clear liquids only **up to three (3) hours** before your surgery: **this is encouraged** to minimize being de-hydrated.
4. Take any regular medications with only enough water needed to swallow the pills.
5. Please remove any contact eye lenses prior to your appointment.
6. Please remove any fingernail polish or fake nails prior to surgery.
7. Please wear loose clothing that allows for placement of monitors.
8. You **MUST** have a designated "Care-Giver" drive you home and someone who can remain at the office during the surgery.
9. Plan to rest for the remainder of the day. Do not operate power tools, machinery, etc., for 24 hours after surgery.
10. For those taking various medications, **please do not take** the following the morning of surgery:  

---
11. For those pre-medicating with antibiotics, please take the medication as directed.

**OTHER SPECIAL INSTRUCTIONS:**

If you prefer to listen to your own music, feel free to bring a CD or cassette tape player with small earphones.

*Our goal is to provide you with a safe, pleasant and effective anesthetic. In order to do this it is imperative that we have your full cooperation. Please feel free to ask or call about any questions concerning your surgery or anesthetic.*

**If you have to cancel or reschedule your surgery, kindly notify us at least 24 hours prior to the date and time scheduled or there may be a cancellation fee incurred.**

\*Refunds are NOT permitted for medications dispensed/purchased in our office.\*
